TEDx NITCalicut

x = independently organized TED event
Jan 2013

Listen. Learn. Be **inspired.**

JOIN US

TEDxNITCalicut is a not-for-profit event brought forth by Club Unwired, NIT Calicut under the exclusive license from TED (for more info please visit www.tedxnitcalicut.com). The event will witness some active thinkers and doers- from entrepreneurs to artists, technocrats to economists and is all about ideas: inspiring, discovering, generating and sharing "Ideas Worth Spreading" in different areas. We believe in sharing the platform with people with great ideas that can not only inspire but also bring fresh perspectives before us to make this world a better place to live.

TEDxNITCalicut was first conducted on 14 January 2012, and was a great success. The event received a lot of attention from not only the students within the campus, but also from beyond. Apart from the student community, the attendees included software professionals and budding entrepreneurs from Bengaluru and Chennai. Our speakers were respected members from diverse fraternities like Dr.Sangwan, an eye surgeon, to Tanvi Girotra, a firebrand social activist. Athira, the violin prodigy, brought the crowd to tears with her soulful music and earned a standing ovation. Each of them brought with them their unique flavors of ideas and captivated the crowd with their beautiful stories. The best part was that the attendees got to get close up and interact freely with the illustrious speakers. The last event, we can safely say, put us on the map.

TEDxNITCalicut 2013 is scheduled to take place in **January 2013** at Chanakya Hall in **National Institute of Technology Calicut**, Kerala.

As a not-for-profit event organized entirely by local and unpaid volunteers, TEDxNITCalicut cannot happen without the help of supporting partners. By becoming a TEDxNITCalicut partner you partake in an engaging discussion in a vibrant group of participants. You also help bring together organizations and individuals who want to be the change agents that fuel a local and global conversation leading to a positive change. Last but not the least, becoming a TEDxNITCalicut partner helps pave the way for a long term partnership with TED and TEDx around a common vision of leveraging ideas, technologies, design and education to help create a better future.

We seek both in-kind and financial sponsorship. Please review our Sponsors & Partners information to determine the best way for your company and organization to join TEDxNITCalicut. The sooner you can get involved, the more exposure you will get!

Looking forward to your generous support and participation in this endeavour.

Kind regards,

Mr. Hanas T.
Faculty Advisor,
Club Unwired, NIT Calicut
